Submittal
Draft Work Area Monitoring Plan (WAMP)
Operable Unit 2 Omega Chemical Superfund Site

Dear Mr. Praskins:

Pursuant to the November 11, 2014 Term Sheet, please find attached for your review and comment the draft Work Area Monitoring Plan (WAMP) with associated Field Sampling Plan, Quality Assurance Project Plan, and Health and Safety Plan. The enclosed has been prepared to provide the process and procedures for the annual monitoring of groundwater in the EPA monitoring well network and the Koontz and Hawkins wells installed by the Water Replenishment District.

Should you have any questions or comments, please contact me at (619) 546-8377. Thank you.

Sincerely,

A handwritten signature in blue ink, appearing to read 'J. Keener', is written over the typed name and title.
